The City of Bristol, Virginia

INTRODUCTION

The City of Bristol, Virginia is strategically located in the southeastern United States. The Virginia-Tennessee State Line bisects the principal business street and commercial center of the twin cities of Bristol, Virginia and Bristol, Tennessee. Each of the Cities is independent of the other in governmental administration and operation.

Bristol, Virginia, encompassing 13.3 square miles was incorporated in 1890 and has grown to become the principal center of commerce in the southern highlands of Southwest Virginia. Bristol is at the apex of a triangle completed by Johnson City and Kingsport in Tennessee, all within 25 miles of each other. Those cities constitute the "Tri-Cities Area". Interstate 81 ties Bristol to important population centers such as Knoxville, Tennessee (118 miles west), and Roanoke, Virginia (143 miles east). Interstate highways 77 and 40 connect with 1-81 within 73 miles of Bristol.

FORM OF GOVERNMENT

The City government is organized under the Council-Manager form of government. The governing body, a Council elected at-large to staggered 4-year terms by the voters, makes policies for proper administration of the City. The Council is composed of five members. The Mayor and Vice-Mayor are chosen by majority vote of all members of Council from its own members. Council appoints a City Manager to act as administrative head of the City. The City Manager serves at the pleasure of the Council, carries out its policies, directs business procedures, and supervises all departments and all employees of the City.

FY2020-2021 Budget

The main purpose of the City of Bristol, Virginia's annual budget is to communicate to its Citizens the goals of the upcoming fiscal year and the resources that will be used to accomplish those activities.

The City's FY2020-2021 Budget is presented by Fund. The City designates the financial activity into two (2) types of funds.

Governmental Funds- governmental funds account for the main services provided by the City.

♦**General Fund** - this is the government's basic operating fund and accounts for operational activities and services. The sources of revenue vary, but include virtually all Federal, State, and Local tax receipts, as well as various fee incomes and charges for services.

♦**Capital Project Fund** - this fund accounts for the construction and acquisition of capital assets, such as building and equipment. The revenue sources for the activities in this fund come from transfers from other governmental funds, state and federal revenues, debt financing, and/or reserves.

♦**Community Development Block Grant Fund** - the City of Bristol is a designated CDBG Entitlement Community, which enables it to receive federal Housing and Urban Development funding every year to benefit low-to-moderate income individuals living in the City. These funds can be used for various activities within the City, including public service activities, housing improvements, ADA accessibility, public facility and infrastructure improvements, and economic development activities.

♦**Commonwealth Attorney Federal Revenue Sharing Fund** - this fund accounts for the expenditure of Equitable Sharing Program Funds by the Commonwealth Attorney's office. The revenue sources for this fund are federal revenues received in a prior year and interest earned on those unexpended funds.

♦**Asset Forfeiture Fund** - these funds account for monetary assets seized as the result of law enforcement activities that are shared with the City for local law enforcement purposes. The revenue sources for this fund are federal, state, and local revenues and are restricted by guidelines as to purpose.

Proprietary Funds - proprietary funds account for activities that function like a business. They are either classified as an enterprise fund or an internal service fund. The City has two enterprise funds.

♦**Solid Waste Disposal Fund** - this is an enterprise fund that reflects the activities of the solid waste disposal and collection services. The sources of revenues are the fees charged to users for goods and services provided.

♦**Transit Fund** - this is an enterprise fund that accounts for the City's transit activities. The sources of revenues are the fees charged to users, state revenues, and federal revenues.
